Dear All VYC Track and Field Athletes, Families, Coaches and Volunteers,

Welcome to the 2011 Individual Event Championships. I am so excited to once again be at Moorpark College Campus. In the past we have been at many great stadiums and I am grateful to crown our conference champions here.

The Valley Youth Conference Track & Field, and Cross Country programs are in wonderful shape and in good hands. The members of the board of directors have taken our programs to the highest standards possible. This is reflected in the high number of volunteer hours they each put into this program and the success of all the youngsters at all levels. We have set high standards because your children are worth the very best!

The participation of our athletes is of course the real key to the success of our programs. Today we are proud to tell you that over 1650 have competed on our meets this season. We have fielded 11 teams for our competition with athletes from all team represented here today.

Athletes of the Valley Youth Conference, you can be proud of all of your achievements this season. Your hard work and dedication has paid off and brought you to the highest level of competition here in the VYC. As the temperature raises and the competition heats up I know you will continue to amaze and delight us your biggest fans.

For some of you this event will bring a conclusion to your season and for others this is the end of one season and the beginning of another. Those of you continuing on to post season, imagine uniting your strengths into one team on a quest for the Nationals. Here in the VYC you have that unique opportunity to unite together, nowhere else is that possible.

In my many years of involvement, the Valley Youth Conference has been a leader in youth sports in the nation employing the most sophisticated technology in existence for meet management and timing systems. Running multiple concurrent track meets at several locations weekly. Conducting coaches training clinics with extremely high standards to ensure that each club's coaches are trained to give the athletes the best coaching second to none. Over the years the conference, has challenged our clubs to provide the best for our athletes. Near professional sporting program for all-comer amateur athletes who become the shining stars in our conference but for a very short period of time. These stars shine bright inspiring a love of the sport within the hearts of the young athletes who will follow in their footsteps to shine bright one day on their own. These will go on to do many things in their lives but for a while we were so blessed to watch them on the field of play, to witness them become athletes in the truest sense of the word.

Today we will witness spectacular competition here at the Individual Event Championships. The track is their STAGE, so stand up and cheer the athletes of the 2011 Valley Youth Conference. LET THE GAMES BEGIN!!!

Alan Bingham
Commissioner, VYC Track and Field

VALLEY UNITED STRIDERS ALL STAR TEAM

VYC Parents, Friends and Families,

I would like to take this opportunity to introduce you to the VYC official post-season All Star Team; the VALLEY UNITED STRIDERS (VUNS). Born in 2000, Valley United has served as a vehicle for the top athletes of the VYC to unite together and compete locally and nationally.

Over the past decade Valley United has proven itself to be a dominating force locally and a nationally recognized power house. Valley United has produced many National Champions, broken and set Records, and won National Team Titles. Just this past season one of our Youth Boys Amir Ali Patterson brought home three National Titles in Shot Put and Discus. Amir was also awarded SCA highest honor; the Youth Boys Athlete of the Year! Also bringing home the gold was our Midget Boys 4x100 relay (Morris Bowman, Deonte Perry, Austin Lietz and Darren Cruz).

This season, the team has taken a vote to attend the AAU Junior Olympics. Our season begins Monday May 23rd. Our first track meet is the LA Jets Invitational (not mandatory, but highly recommended), May 27, 28, & 29. We will still attend the Southern California Association meet, June 10th, 11th & 12th, at Cerritos College. This meet will give us a chance to have 2 track meets under our belts, before going to the California Qualifier meet (this is a mandatory meet) , in San Diego, on June 17th, 18 & 19th. The top 5 finisher will move on the AAU Junior Olympics. The Junior Olympics will be held on August 1st – August 6th, at Tad Gormley Stadium, New Orleans, L.A., More information about the above mentioned meets can be found on our web-site listed below.

As we turn the corner and enter our second decade, it is my goal as your new President to continue the level of excellence set forth by our previous President. We are always striving towards making the transition between Valley Youth Conference competition and USATF, and now AAU competition is easier for all involved. We welcome everyone to the Valley United Striders and look forward to an awesome and exciting season. Please visit our web-site at www.valleyunitedstriders.com click VYC Parents for more information.

Thank you,

Daniel Jordan Sr.

President Valley United Striders

Cross Country Update

The Valley Conference will again offer a Cross Country season for all youth this fall. Most clubs will field teams for ages 6 thru 16. We will also offer Valley United Strider postseason National Competition! Our teams have always been very successful and are well respected across the country.

Congratulations to all athletes who represented the Valley Striders so well at these prestigious meets! Anyone who is interested in participating in this fall's Valley Conference Cross Country program should contact their coach, their club representative, or check-out the Conference Cross Country Website at <http://www.valleyconference.org> .

CONGRATULATIONS

The following athletes have been with the Valley Youth Conference for Four (4) years or more and will be graduating from our program this year. Please let us wish each of them great success in their future endeavors, both academically and athletically.
